2). LIFE MEMBER STATUS

   1. Life members. The designation "Life member" is applicable only to an IEEE member who has attained the age of 65 years and who has been a member of IEEE for such a period that the sum of his/her age and his/her years of membership equals or exceeds 100 years. The designation of Life Member shall be effective on 1 January of the year immediately succeeding the year in which the requirement for the Life Member category has been satisfied. (IEEE Bylaw I-102.2)

   2. Inactive Status and Reinstatement. If a Life Member does not annually confirm that they would like to continue to receive the services/publication(s) (I-104.14), they will be removed from the active membership roster and placed on inactive status. An inactive Life Member will not receive services/publication(s) or an election ballot. Active Life Membership shall be reinstated, with no loss of continuity of membership, upon notification that the Life Member confirms that the services/publication(s) and/or distribution of an election ballot are still desired, subject to the limitations of IEEE Bylaw I-108.8.

3). LIFE MEMBER AFFINITY GROUPS

   Affinity Groups are defined in IEEE bylaw I-402.10 and shall be a non-technical subunit of of a Region, one or more Sections, or a Geographic Council. An Affinity Group shall comprise a minimum of six (6) IEEE voting members, who are member of the geographic unit(s) involved and established by petition to the parent organization unit(s) or committee concerned to fulfill the mission of IEEE.

   A Life Member Affinity Group (LMAG) operates within an organizational Unit (OU), usually a Section, to represent and fulfill the needs of, and to organize activities on behalf of its Life Members. General guidelines regarding Affinity Groups can be found in Section 9.9 of the IEEE MGA Operations Manual.
3.1). ESTABLISHMENT OF AN LIFE MEMBER AFFINITY GROUP (LMAG)

A petition to establish an LMAG shall:

(a) Name of the Section/Sections or Council

(b) Name of the organizer (who becomes interim Chair pending election of a regular Chair at a later organization meeting)

(c) Signatures of at least six (6) Section Life Members who indicate that they will join the LMAG

(d) The petition shall be signed by the Interim Chair and then the parent (generally Section) Chair and then submitted to the MGA Staff

(e) The petition shall include a business plan that provides a mission and goals, planned meetings and activities for the initial six months

(f) The IEEE Regional Life Member Coordinator is available to provide assistance in the petition process

(g) The LMAG shall be considered established after the MGA Managing Director has ascertained that the Regional LM Coordinator, Regional Director, and the Life Member Committee Chair have no objection to its formation. The MGA Vice Chair –Geographic Unit Operations shall present a recommendation for approval of the LMAG formation to the MGA Board.

(h) The LMAG will be informed that the Group formation has been approved via email from the IEEE MGA Managing Director with a copy to the Region Director, Section Chair, LM Regional Coordinator, and the LMC Chair.

3.2) REQUIREMENTS FOR MEMBERSHIP AND MEETING ACTIVITY.

1. An Affinity Group shall be required to maintain a membership of not fewer than six (6) IEEE members, and to hold not less than two (2) group-interest meetings per year, or to maintain a level of activity acceptable to the Section/Council Chair and Region Director.

2. Meeting Activity
   a. An Affinity Group may schedule a group interest meeting in coordination with the ExCom of the parent geographical unit within whose boundaries the meeting is to be held, if deemed necessary.
   b. All members in the parent geographical unit shall be advised of all meetings held in their geographical unit, including those organized by Affinity Groups, using electronic communication tools provided by MGA and/or via posting on the parent geographical unit’s website. In addition, a special notice may be sent to the members of the Affinity Group that organizes a meeting.
   c. An Affinity Group shall submit annually a report on the meetings held within the past year and any changes to its roster of officers in a timely manner using electronic reporting tools provided by MGA.
   d. The parent geographical unit that assumes responsibility for the Affinity Group management shall receive meeting credit for Affinity Group activity and shall MGA Operations Manual, Section 9 disburse the Affinity Group rebate and activity
bonus (if applicable) to the Affinity Group based on reported Affinity Group activity, in accordance with Section 9.9.G.

3.3) AFFINITY GROUP PROBATION

Failure of an Affinity Group to meet the minimum required activities as described in Section 9.9.J of MGA Operations Manual for a period of one year shall result in the Affinity Group automatically being placed on probation, effective 1 January of the following year. An Affinity Group probation period shall last three consecutive years. The Affinity Group will not be eligible for rebates until it comes into compliance with the minimum requirements. Annual notice of delinquency will be given to all concerned. A report of delinquent Affinity Groups will be presented to the MGA Board.

3.4) AFFINITY GROUP DISSOLUTION

An Affinity Group dissolution can occur in the following ways:

1. With the concurrence of the ExCom of the parent geographical unit that assumed responsibility for the Affinity Group management, the Chair(s) of any other parent organizational unit(s) when applicable, and the Region Director, an Affinity Group may be dissolved.

2. An Affinity Group shall be dissolved automatically if it has failed to meet the requirements as stated in Section 9.9.J of MGA Operations Manual for three consecutive years and annual notice of the delinquency has been given to all concerned. Such dissolution will be reported to the MGA Board at its November Board meeting and reported to the Chair(s) of the parent technical organizational unit(s).

Following dissolution, any remaining funds and assets in the custody of the Affinity Group shall revert to the parent geographical unit that assumed responsibility for the Affinity Group management.

3.5) AFFINITY GROUP REINSTATEMENT

1. A dissolved Affinity Group can be reinstated following the automatic dissolution at the November Board meeting when the following conditions have been met. The parent geographical or organizational units concerned must have secured both the interest to reactivate the Affinity Group and a volunteer to serve as the Affinity Group Chair. This information shall be reported to the MGA staff no later than 60 days following the date of dissolution.

2. Reinstatement of the dissolved Affinity Group shall be reported to the MGA Board at its February meeting. As of that MGA Board meeting date, the Affinity Group shall be considered reinstated. The parent Affinity Group or Affinity Groups shall be informed of the reinstatement of the Affinity Group.

3. Any meetings held and reported during the year the unit was reinstated will be applied to that year’s rebate and activity bonus. Previous years’ meeting reports will
not apply to the Affinity Group rebate or activity bonus.

3.6) MANAGEMENT

(a) Responsibility for LMAG management shall rest with the Section/Council, which shall have overall control of all financial and other aspects of the Affinity Group in carrying out its activities.

(b) Reasonable efforts should be made to notify all members of meetings. Methods of communication could be hard copy distributions, e-mail distributions in keeping with IEEE e-mail policies, and LMAG Website updates.

3.7) LMAG OFFICERS AND RESPONSIBILITIES
